Gymnastics Summer Camp At A Glance

Take a brief look at what a Full Camp Day consists of here at BSGA:

8:45-9:15 = Ice Breaker Game

This is a time where the staff and campers get to know each other, talk about the day ahead and play a fun game while everyone is arriving to camp

9:15-10:00 = Dance & Stretch

Each week, the children will learn a dance that will go along with the theme of the week. They will practice the dance each day and perform it on the Thursday of the camp week for parents and friends to watch.

10:00-10:30 = Gymnastics Rotation 1

Each gymnastics rotation will consist of one of the main gymnastics events: Floor, Beam, Bars, and Vault. The boy's rotations are Floor, Rings, Bars, Pommel Horse and Vault.

10:30-10:45 = SNACK

Children will go upstairs to eat a snack during this time.

10:45-11:00 = GAME

Each day, campers will have the opportunity to participate in several group game activities. We make them age appropriate and fun, themed for the week.

11:00-11:30 = Unique Event

Here at Bay State, we have the facility to allow for lots of fun activities that aren't JUST gymnastics! We let the children play on the trampolines, mini tramp, and swing from the rope.

11:30-12:00 = Gymnastics Rotation 2

This will be the second rotation for gymnastics for the morning.

12:00 = Dismissal of ½ day campers

12:00-12:30 = Lunch

Full Day Campers will take a break at this point in the day to eat their lunch and socialize with their new friends.

1:00-1:30 = Open workout

Once a day during camp, we allow the children to play in the gym without instruction. We have a teacher at each event and let the children go where they choose. It may be that they want to get their back handspring, or it may be that they just want to play on the trampoline. The choice is up to them and they love it!

1:30-2:00 = Gymnastics Rotation 3

This will be the first gymnastics event for the afternoon rotation. Those who went on bars and vault will now be on floor and beam. By rotating in this way, it allows for all of the campers to see all of the events in the day.

2:00-2:20 = Dance & Team Game

We give the campers another opportunity here to practice their 'show' that they will be performing at the end of the week. We also take this time to play another fun game with the kids. The game times and extra activity times are always a good break in the day for the kids to just run around and be kids!!

2:20-3:00 = Gymnastics Rotation 4

This is the last gymnastics rotation of the day.

3:00-3:45 Closing Game

3:45-4:00 Dismissal Preparation 4pm Dismissal

Our staff members will ensure that your child goes home with the proper authorized pick up person. There will be a sign out sheet as well as a staff member checking children as the leave for the day.

Infectious Disease/Contagious Illness Procedure

In the case where a known contagious illness is a concern for our area towns/cities, the following procedures should be followed. **Examples include:** MRSA, H1N1 (*Swine*) Flu

As a precautionary measure for H1N1 (Swine) Flu or MRSA, Germ X* Disinfectant should be sprayed on all surfaces in the gym by the gym manager every other day. All students will be encouraged to use hand sanitizer from the dispensers both before and after every class. Staff members will be required to regularly wash or sanitize their hands both before and after every class that they instruct. **(This precautionary measure should be taken when an outbreak occurs in our area towns/cities)** *Germ Control is a colorless and odorless antimicrobial disinfectant. Germ Control kills MRSA and VRE and is a disinfectant, fungicide and virucide. It is recommended for use in schools, day cares, athletic facilities, etc...

Procedure to follow when a confirmed case of the above mentioned or other infectious/contagious illness is reported at Bay State Gymnastics Academy.

If a student or a staff member of BSGA contracts a serious contagious illness:

- Bay State Gymnastics Academy would be closed for all classes and activities until the threat of contagion no longer exists.
- A cleaning would be performed by a post-disaster professional cleaning company (The Cleaning Lady, Inc.) in order to completely disinfect the facility.
- All students who miss class during the closure of the facility would follow the same procedure as when inclement weather occurs. This procedure states that all students will be provided a makeup class either scheduled by BSGA or to be scheduled by the student's parents during another class time within one's age/ability level.
- Our students would be alerted of the facility closure via email and telephone. The website would also have the closure posted on the News/Events page.
